

Season's Greetings from LaFleur's!

Thank you for supporting our programs!

We'd like to wish you a **HAPPY & HEALTHY** Holiday Season.

One common denominator of all of our programs is that our kids get lots of quality turns; therefore every child gets a "**FITNESS BOOST**" with each class while having **FUN**.

Thanksgiving Week Camp: Nov. 21, 22, 23 and 25 **Happy Turkey Day!**

Winter Fun Camps: Wk.1: Dec.19,20,21,22,23; Wk.2: Dec.26,27,28,29,30 (See Camp Flyers)

Little Flipper Swim School:

- Our water and air are always 90 degrees. The perfect temperature for your child.
- Experts agree that children 18 months – 6 years should swim year-'round.
Classes enhance physical, mental, and social development.
- Also. . .If you start them before age 3 you can avoid the trauma of learning later.

NO CLASSES!: Tuesday, November 22nd – Saturday, November 26th

No Makes Needed

Happy Thanksgiving

Please Note: Tuition is due for gymnastics & swim classes on or before November 26th. You are **NOT** charged during the 2 weeks when there are **No Classes** in December. Your tuition carries you into February: (December 12, 2016 – February 18, 2017). **Thank you!**
